

QASHQAI

The ultimate crossover, reimagined.

It's been 16 years since the Nissan Qashqai pioneered the crossover segment, back in 2006. The first of its kind that paved the way by blending the best of what a hatchback could offer, with awesome SUV practicality.

Now in its 3rd generation, Qashqai is reimagined to again, define what the crossover of tomorrow can be, today. Expect exceptional standards of enhanced styling and elevated premium comfort with a host of exciting driver technologies unlike anything else in the category.

A bold origin story. A striking new design.

The all-new Nissan Qashqai, with its bold, imposing stance, two-tone colours, sharp LED headlamps and sporty 19-inch alloy wheels. Expect bigger, bolder and better, with attention to detail given in unexpected places, throughout.

With a completely new design and trusted Japanese craftsmanship, Qashqai once again brings a new vision to the market.

Qashqai transformed, inside and out.

The cabin of the all-new Qashqai sets a new segment standard for premium feel, distinctive design and intuitive usability. The premium quilted leather-accented seats, calm ambient mood lighting and sophisticated finishes make every commute an experience, as you feel at complete ease behind the wheel.

Diamond Stitched Massage Leather Seats

High Definition Driver Information Screen

One Touch Gear Lever

Wireless Charger

A smarter Qashqai for a smarter world.

Expect high-definition navigation info, access to entertainment, media, traffic updates or real time vehicle information. With a background inspired by Japanese kiriko glass, the ultra-widescreen interface is as stylish as it is functional. Add Nissan Intelligent Mobility features and you have a more confident and connected Qashqai than ever before.

Multiple Charging Points

Voice Commands

Bose® Sound System

12.3-Inch Wide Screen Infotainment Display

More room for everyone in every seat.

The all-new Nissan Qashqai offers a bigger, more spacious interior than its popular predecessor, with additional improvements for convenient passenger access. Doors open to a generous 90°, allowing for easier entry and exit, while rear knee room, shoulder room and even seat depth, have been increased.

Improved Rear Knee Room

Improved Shoulder Room

Passenger comfort features include rear facing air-conditioner vents as well as dedicated USB Type A and C charging points. Upper and lower tether ISOFIX points, are standard.

504ℓ Boot Space

1593ℓ with Folded Seats

SUV-like practicality with hatch-like convenience.

The all-new Nissan Qashqai boasts with every day practical advantages. Be amazed by even more cargo space, with various adaptable layout configurations to transport what you want, when you want to. A family-friendly wipeable luggage board and 60:40 rear split seats allow for maximum flexibility, whatever the requirement.

Ultimate driving confidence and passenger safety.

Qashqai is equipped with advanced Nissan Intelligent Mobility driver safety technologies, designed to keep you one step ahead of your surroundings, for maximum confidence and peace of mind.

From the single-camera Rear View Monitor to the virtual birds eye view 360° composite view of the Intelligent Around View Monitor, Nissan Intelligent Mobility gives you the confidence to manoeuvre and park like a pro every time. help make these tasks quick and easy. Moving Object Detection alerts the driver with audio and visual warnings if movement around your vehicle is detected.

Rear camera - see what's right behind you.

Right side camera - flick the switch to see the kerb.

All-around view - get a virtual 360° birds' eye view as you manoeuvre.

Front camera - get a combined front and overhead view for perfect parking.

Fuel efficient performance.

The all-new Nissan Qashqai is powered by a next generation 1.3L Turbo Charged petrol engine, producing 110kW and 250Nm of torque from as low down as 1600 rpm.

This is paired with Nissan's 7-Speed X-Tronic transmission for instant acceleration and ultra-smooth gear shifts. Even with all that power, fuel consumption is exceptionally low at 5.3 litres per 100KM.

Advanced structural improvements.

Structural and engineering optimization has been a key priority part of the development of the all-new Nissan Qashqai. The aim is to deliver a stronger, lighter car for greater driving performance. The stiffer structure offers improvements in advanced agility and ride comfort, whilst the increase in use of aluminum in the bonnet and doors helps reduce overall body weight, resulting in lower fuel consumption. and peace of mind.

Turn all-new into all-you.

Nissan Accessories help you personalise and style your Qashqai, make it even more comfortable or even more capable. Customise your Nissan Qashqai with the chrome Exterior Elegance pack, protect your trunk from dirt, mud and water or add a towbar to go to exciting family adventure. And if you need to carry bikes, skis, snowboards or just more stuff, our racks, boxes and other load carriers are specially designed to fit the bill smartly, safely and durably.

Improved suspension.

As well as improved standard suspension, all-new Nissan Qashqai is available with Multi-Link suspension for even more comfort and sportier, more agile driving.

Customize your Qashqai.

Nissan's commitment to quality: To provide all customers with a consistently high level of quality, Nissan applies the same standards worldwide, to ensure that all Nissan owners enjoy peace of mind for the lives of their vehicles. The approach is based on quality from the customer's perspective on three key elements: First, the expectation of a smooth driving experience with complete peace of mind. Second, the intangible appeal of a vehicle, its power to captivate and excite, with features that capture attention and imagination. Third, the level of attentiveness and service during the sales process, and long after the sale is concluded.
